Learners today; Leaders tomorrow

<http://www.promise2purpose.net>

From your librarian,

What would you like to make in the library? All 3rd and 4th graders will vote May 1st-19th in the library for their favorite “Make Me” makerspace activity. Think STEAM: Science, Technology, Engineering, Art and Mathematics. First place winner will receive a T-shirt. Second place will receive a poster. Everyone is a winner when we collaborate in the library.

Parents, remember that all library books and lost book fees are due May 19th. The library will be closed for inventory beginning May 22nd.

Visit your public library for free programming and always use our Klein eResources like Overdrive, Tumblebooks throughout the summer.

A special “Thank You” to all of our Bernshausen families who have volunteered in the library this year, supported our Book Fair fundraising and continue to encourage your child to read.
