

PROMISE2PURPOSE Pathways

In Klein ISD, every student enters with a promise and exits with a purpose.

Klein ISD Pathways Summit

Klein ISD Pathways Summit will take place on **Saturday, January 21, 2017 from 9am to 1:30 pm at the KMPC**. The Pathways Summit is a K-12 student and parent event designed to explore student pathway interests, endorsements, advanced course options and college knowledge. There is something for all ages! Attached is a [flyer](#) with information that will be sent to elementary schools early next week. Secondary campuses will receive an electronic version of the flyer as well. More information can also be found at this [link](#) and on the [website](#). Also, transportation will be provided from Klein Intermediate and Klein Forest High school for families in their feeder patterns.

Please help publicize the event on Twitter, Facebook, campus websites, announcements, etc. If you have any ideas or suggestions, let us know!

“So much of life and work is overly structured that it doesn’t give us, or our ideas, the room to run and grow freely,” says entrepreneur Joshua Kauffman, who has facilitated unconferences around the world. “By contrast, the unstructured, high-energy environment of the unconference amplifies ideas.” - Forbes Magazine, 2014

In the spirit of creating a culture of innovation, what better way than to host a morning of facilitating professional conversation led by participants over topics of their choice? We are excited to host our first ever **UnConference on Saturday, January 28th from 8:00-12:00 at the KMPC**. Educators will informally gather and set the agenda on focused discussions in a tech-rich environment to experience personalized learning at its best. Participants determine the sessions right on the spot! Choose a session, then collaborate, and share knowledge and experience with your fellow attendees.

We will start the day with an amazing keynote given by the Amoeba Sisters. The remaining part of the day will be loosely structured, participant-determined sessions that provide collaborative conversations to grow together. For more information about how an unconference is structured, you can visit this [website](#). We can’t wait to unleash innovative ideas with our staff! More to come through The Exchange....
