Music Notes

The Hassler Music Department has some exciting things coming up in the next few months! Our students are working very hard to prepare for these upcoming performances:

November 5th – A select group of 5th grade boys will represent our campus at the KISD Men's Choir Concert @ 7:00 PM at Champion Forest Baptist Church.

November 19th – All 3rd Grade students will be performing in a musical, "A Time To Give Thanks." Performances times are 2:00 PM & 7:00 PM in the Hassler cafeteria.

Looking ahead to December, we will also have our Choir, Chimes, & Percussion Holiday Concert on December 3rd. Performance times are 9:15 AM & 7:00 PM in the Hassler cafeteria.

If your child is involved in any of these performing groups, be watching for more information. We are so thankful our Hassler parents, and appreciate your support of our music program!

Library News

The fall Book Fair was a huge success! Thank you to everyone who contributed. We appreciate all of the volunteers who helped everything run smoothly and all of the wonderful support from the Hassler community. We couldn't do it without you!

We are excited to bring not one, but two award winning authors to Hassler this November! Susan Stevens Crummel and Janet Stevens will be visiting with the students at Hassler over the course of two days. November 17, the authors will be speaking with the students in kindergarten, first, and second grades and on November 19, they will address the third, fourth, and fifth graders. They will be sharing their experiences as authors with all of our students over the two days they are here. A book order form with information about purchasing a book for Susan Stevens Crummel and Janet Stevens to autograph went home on Tuesday, October 13. This order form was due October 23. Extra books have been ordered and will be sold on a first come, first serve basis. Additional information about the authors can be found on the library website.

Project Tomorrow Speak-Up

Parents are encouraged to share their viewpoints about key educational issues, particularly concerning digital learning and the use of technology to support future ready schools. If you are willing to participate, please visit <http://www.speakup4schools.org/Speakup2015/>. You will then simply click the "Parent" section to begin. You will then be prompted to look up our school. The survey is only 28 questions, and we hope many parents choose to participate!

Box Tops for Education

Save those Box Tops! Your child can turn them in to his/her teacher.
What a great way to raise money for our school!
