KLEIN ISD Birthday and Seasonal Snack Guidelines

Pursuant to state law, KISD permits parents/guardians or grandparents to bring a birthday snack for their child's birthday. The following guidelines apply to such snacks:

- The parent/guardian must provide the campus nurse a two week notice of the desire to provide a birthday snack.
- Parents/guardians are encouraged to obtain birthday snacks through the Klein Food Service Department. With advance notice, the Food Service Department can provide a choice from an assortment of nutritious snacks.
- Any parent/guardian who provides a birthday snack not provided by Klein ISD Food Service must:
 - Submit to the campus nurse two weeks in advance of serving the snack:
 - A complete list of ingredients included in the snack.
 - In the case of commercially prepared food, the product label must be provided, to include the complete ingredient list and all information about production line exposure to known food allergens.
 - All snacks must be wrapped and packaged in a disposable container. Schools will not be responsible for parents' personal kitchen items.
 - All snacks must be delivered by the parent to the campus. Children will not be permitted to carry snacks to school.
 - Snacks for individual consumption, such as bagels, muffins, etc., must be individually wrapped.
 - For parent/guardian convenience Nurse Hebert already has the ingredient list on file for vanilla and chocolate cupcakes purchased from Kroger, HEB, and Walmart.
- Birthday snacks will be distributed by Klein ISD staff at the end of the lunch period, after students have had a nutritious meal as defined by the School Lunch Program and Texas Department of Agriculture.
- Written consent from a parent/guardian must be obtained before students will be permitted to eat a birthday snack.

In keeping with the KISD wellness policy, parents are encouraged to provide a healthy treat for students, such as fresh fruit, yogurt, granola bars, etc.
