Dear Parents and Families,

A great way to support new books in the library is to purchase a book for your child's birthday. One of our vendors, Bound to Stay Bound, is offering a free service to help support our library. You can use the link below and let your child choose a book, from the wish list, that they would like to add to the library. The book will be delivered to our library ready to shelve once a month. There is no tax or delivery fee!

They will place a bookplate inside the book with your child's name and birthday. You can fill out everything online and pay by credit card from the convenience of your home. I will present the book to your child during their library time and they will be the first person to check out their book. When the book arrives, your child will be featured on that week's podcast announcements. We will have a birthday bulletin board in the library, and we will add a cake with your child's name on it, for their birthday.

Order a birthday book using this link:

Birthday books are a wonderful way to honor your child's birthday and to help Krahn's library collection grow!

Sincerely,

Erin Clanton
Librarian

Dear parents and guardians,

Klein ISD appreciates its volunteers. They make a positive difference each day for our students and teachers and simply could not do our jobs without them effectively. If you have never served as a school volunteer, I invite you to become a part of our dedicated team by completing the necessary forms online.

Getting started is simple and involves two steps:

1. filling out a volunteer application, and
2. completing a criminal background check

Instructions for completing this process may be found on the reverse side of this letter.

For the safety of our students, all adults, employees and volunteers that work with students have successfully completed a criminal background check. This proactive requirement is supported by Texas law (Texas Education Code § 22.083) to protect the well being of our most precious resource—our students.

The education of our students is a partnership between the home and the school and the support of your child's education is a vital element of the education process. As your time allows, you can make a difference for other students through volunteer service.

If you have questions about the registration process or the volunteer program, please contact Ms. Debbie Scheel, administrative assistant for Judy Rimato, the associate superintendent for communications and planning, at 832-249-4751 or your school's principal.

Sincerely,

Bret Champion, Superintendent of Schools
Klein Independent School District
