January 23, 2018

Dear Parents/Guardians,

We are so excited to welcome you and your student to Hildebrandt Intermediate School for the 2018-2019 school year! Hildebrandt Intermediate School will be hosting a parent meeting to explain elective options for 6<sup>th</sup> grade students on January 25, 2018 from 6:00-7:00pm in our cafeteria. We will also be going over the differences between Pre-AP and Regular Education classes, as well as the different academic tracks available in math once students enter intermediate school. We will offer the same presentation in Spanish, also from 6:00-7:00 pm, in the Hildebrandt library.

The purpose of this meeting is to expose you to the course options your student will have as an incoming sixth grader, and to help you and your student make informed decisions for course selection for next year. It is our goal to ensure that the transition from elementary school to intermediate school is smooth, and to reinforce that every student in Klein ISD enters with a promise, and exits with a purpose!

We will also have upcoming *Cookies with the Counselors* parent meetings, and a 6<sup>th</sup> grade student orientation in August. Please watch our website and Twitter @HildebrandtKISD for more information.

We look forward to seeing you all on Thursday, January 25, 2018 at 6:00 p.m.! Go Mustangs!

Best Regards,  
Lauren Marti
